- iv) Statement of Cash Flows for the period ended on 31 March 2023,
- v) Notes comprising a summary of significant accounting policies and other explanatory information to the financial statements as at & for the period ended on 31 March 2023,

3.4 Basis of Measurement of Elements of Financial Statements

The financial statements have been prepared on the Historical Cost basis, and therefore, do not take into consideration the effect of inflation. The accounting policies, unless otherwise stated, have been consistently applied by the Company and are consistent with those of the previous period/year.

3.5 Functional and presentation currency

These financial statements are presented in Bangladesh Taka (BDT/Taka/Tk) which is both functional and presentation currency.

3.6 Risk and uncertainty for use of estimates and judgments

The preparation of financial statements in conformity with International Accounting Standards and International Financial Reporting Standards requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and for contingent assets and liabilities that require disclosure, during and at the date of the financial statements.

Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions of accounting estimates are recognized in the period/year in which the estimate is revised and in any future period/years affected as required by IAS 8: "Accounting Policies, Changes in Accounting Estimates and Errors".

3.7 Going concern

As per IAS-1 para 25, a company is required to make assessment at the end of each period/year to assess its capability to continue as a going concern. Management of the Company makes such assessment each period/year. The company has adequate resources to continue in operation for the foreseeable future and has wide coverage of its liabilities. For this reason, the Directors continue to adopt the going concern assumption while preparing the financial statements.

3.8 Accrual basis

The financial statements have been prepared, except cash flow information, using the accrual basis of accounting.

3.9 Reporting period

The financial statements of the company covers three months from 01 January 2023 to 31 March 2023.

4 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

4.1 Foreign currency transactions

Foreign currency transactions are recorded, on initial recognition in the functional currency at the spot exchange rate ruling at the transaction date.

At the end of each reporting period in compliance with the provision of IAS 21: The Effects of Changes in Foreign Exchange Rates.

(a) Foreign currency monetary items are translated using the closing rate.

(b) Non-monetary items that are measured in terms of historical costs in a foreign currency are translated using the exchange rate at the date of the transaction.

(c) Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rate at the date when the fair value is determined.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rate different from those at which they were translated on initial recognition during the period/year or in previous financial statements is recognized in profit or loss in the period in which they arise.

4.2 Property, plant and equipment

Initial recognition and measurement

Property, plant and equipment are capitalized at cost of acquisition and subsequently stated at cost less accumulated depreciation in compliance with the requirements of IAS 16: Property, Plant and Equipment. The cost of acquisition of an asset comprises its purchase price and any directly attributable cost of bringing the assets to its working condition for its intended use inclusive of inward freight, duties, non-refundable taxes and un-allocated expenditures etc.

Subsequent costs

The cost of replacing part of an item of property, plant and equipment's is recognized in the carrying amount of an item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognized in the profit or loss account as 'Repair & Maintenance' when it is incurred.

Depreciation on fixed assets

Depreciation is provided to amortize the cost of the assets after commissioning, over the period of their expected useful lives, in accordance with the provisions of IAS 16: Property, Plant & Equipment. Depreciation is charged when the related assets are available for use as per management's intention. No depreciation is charged after the date of disposal of an asset. Depreciation is charged on all fixed assets after assessing useful life on **reducing balance method** as follows:

Particular of Assets	Rate of Depreciation

A contingent asset is disclosed when it is a possible asset that arises from the past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

A contingent liability is disclosed when it is a possible obligation that arises from the past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

A contingent assets is disclosed as per IAS 37, where an inflow of or economic benefits is probable. A contingent liability is disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

The company has no contingent assets or liabilities which require disclosure under IAS 37. Contingent assets and contingent liabilities are not recognized in the financial statements.

4.19 Events after the reporting period

Events after the reporting period are those events, favorable and unfavorable, that occur between the end of the reporting period and the date when the financial statements are authorized for issue. Two types of events can be identified:

- (a) those that provide evidence of conditions that existed at the end of the reporting period (adjusting events after the reporting period); and
- (b) those that are indicative of conditions that arose after the reporting period (non-adjusting events after the reporting period)

4.20 Employee Benefits

The Company has accounted for employee benefits in compliance with the provision of IAS 19: Employee Benefits.

During the period the Company has recognized Workers' Profit Participation and Welfare Funds @ 5% on net profit before tax after charging such expenses as per Bangladesh Labour Act 2006 as amended in 2013.

The Nomination and Remuneration Committee (NRC), a sub-committee of Board formed to ensure good governance in the company as per Corporate Governance Code in notification No. BSEC/CMRRCD/2006 of Bangladesh Securities and Exchange Commission reviews all post employee benefits to comply with IAS 19 Employee Benefits and the policies are under implementation which has been approved by the Board.

4.21 Comparative Information

Comparative information has been disclosed in respect of the previous period/year for all numerical information in the financial statements and also the narrative and descriptive information when it is relevant for understanding of the current period/year financial statements. Previous period/year has been re-arranged/re-stated whenever considered necessary to ensure comparability with the current year presentation as per IAS-1: Presentation of Financial Statements and IAS-8: Accounting Policies, Changes in Accounting Estimates and Errors in notes wherever applicable.

4.22 Implementation, Relevant Assumptions and Disclosures of IFRS 16

IFRS-16: "Leases" has come into force on 01 January 2019 as adopted by the Institute of Chartered Accountants of Bangladesh (ICAB). The Company has applied IFRS-16 as it has entered into contracts for Motor Vehicles & Office Premises that conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Right-of-Use Assets

A Company recognize right of use assets at the inception date which is measured as cost, less any accumulated depreciation. Right of use assets are depreciated on a straight line basis over the lease term. The right of use assets are presented under Non-current Asset in Statement of Financial Position.

Lease Liability

At the commencement date of the lease, the company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term using the incremental borrowing rate. Lease liabilities is measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payment.

5. Risk Exposure

5.1 Interest Rate Risk

Interest rate risk is that which the company faces due to unfavorable movements of the interest rates. Changes in the government's monetary policy, along with increased demand for loans/investments tend to increase the interest rates. Such rises in interest rates mostly affect companies having floating rate loans or companies investing in debt securities.

Management Perception:

Since the Sea Pearl Beach Resort & Spa Limited has not borrowed funds at flexible interest rate, hence, not involved in the interest rate risk. The company has been repaying borrowed funds on a continuous basis.

5.2 Exchange Rate Risk

Exchange rate risk arises due to changes in exchange rates. As the Company imports equipment from abroad and also earns revenue in foreign currency, unfavorable volatility or currency fluctuation may affect the profitability of the Company. When exchange rate is increased against local currency opportunity is created for generating more profit.

Management Perception:

Sea Pearl Beach Resort & Spa Limited management changes the price of their services to cope with the change in exchange rate to mitigate the affect of unfavorable volatility in exchange rate on the company's earnings.

5.3 Industry Risks

Industry risk refers to the risk of increased competition from foreign and domestic sources leading to lower prices, revenues, profit margins, market share etc. which could have an adverse impact on the business, financial condition and results of operation.

Management Perception:

The Company continuously carries out research and development (R&D) to keep pace with the customer choices and fashions.

5.4 Market Risks

Market risk refers to the risk of adverse market conditions affecting the sales and profitability of the company. Mostly, the risk arises from falling demand for the product or service which would harm the performance of the company. On the other hand, strong marketing and brand management would help the company increase their customer base.

Management Perception:

The company's brand "Sea Pearl Cox's Bazar" has a very strong image in the local and international market. Sea Pearl also have the reputation of providing quality hotel management services. Moreover, the demand for five star hotels in the country is increasing while there are very few five star hotels to meet the demand. Strong brand management and quality service has enabled the company to capture significant market share in the sector. And the company is continuously penetrating into the market and upgrading the quality of their service to minimize the risk.

5.5 Operational Risks

Non-availabilities of materials/equipment/services may affect the smooth operational activities of the Company. On the other hand, the equipment may face operational and mechanical failures due to natural disasters, terrorist attacks, unforeseen events, lack of supervision and negligence, leading to severe accidents and losses.

Management Perception:

The Company is equipped with power backup and security (CCTV) systems, which reduce operational risk. Besides, the equipment is under Insurance coverage in order to get reasonable compensation for any damages. Apart from these, routine security check and proper maintenance of the equipment also reduce/eliminate the operational risk.
